

Follow the Royal Trail!

Start outside at the

statue of Queen Victoria

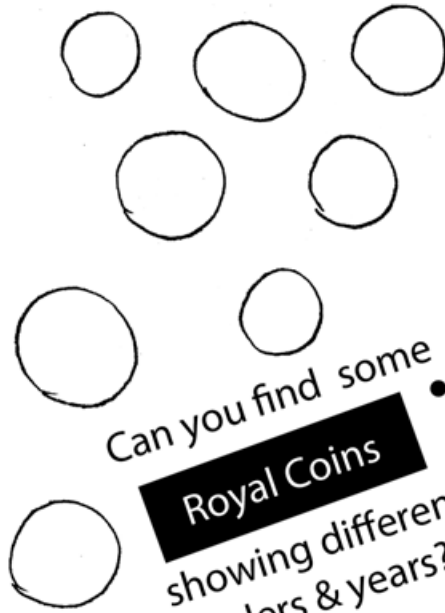

Now head inside to the
Victoria & Albert busts

Did you know that the McManus was built in honour of Prince Albert?

Walk left to the

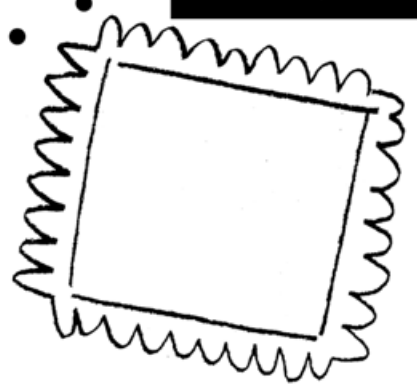

Landscapes and Lives Gallery

Can you find some
Royal Coins
showing different rulers & years?

James Chalmers created the idea for sticking stamps on to envelopes. In this gallery you can see his

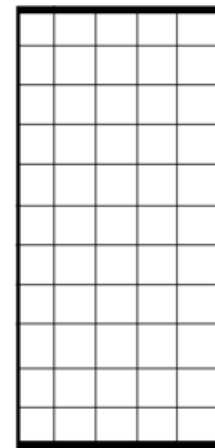

printing press

Dundee was a royal burgh for hundreds of years, so it could collect taxes, hold markets & trade. This is our

coat of arms

Mary, Queen of Scots, was a Scottish Queen. Her son James was King of Scotland & England. Fill in this

stained glass panel

Continue along the hall to the

Making of Modern Dundee Gallery

Look at the
map of Dundee

Can you find any royal street names? Here are some to start with:

King street
Castle Street
Albert Square
Victoria Road

James Valentine, of the card company

Valentine & Sons Ltd

was the official photographer to Queen Victoria.

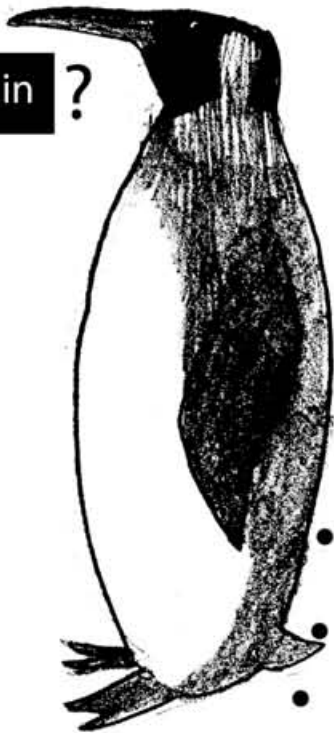

Now climb the stairs to the...

Dundee & the World Gallery

Can you find a 'royal'

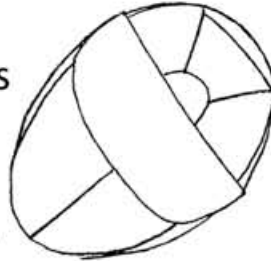

penguin ?

----- penguin

Did you know that many Egyptian pharaohs were buried with **scarab beetles** ?

These were put in tombs to protect the dead in the afterlife.

Which **buddha** is shown as the 'king of kings'?

Find & draw the only existing low relief portrait of Egyptian

Princess Neferure

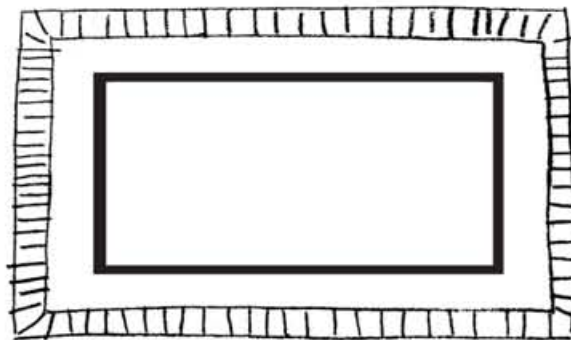

Now travel through the

Long Gallery

Can you spot a **crown** on the way?

to the **Victoria Gallery**

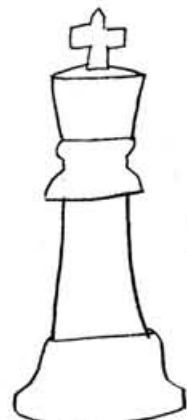

Look for a painting made by Queen Victoria's favourite painter of animals.

Now find Cecil Beaton's photographs of the Queen

Beaton was a famous photographer & he created lots of portraits of the Queen and the royal family over the years.

Can you spy a different type of 'King' in the gallery?

Here's a clue: look up!
